Due to recent guidelines with regards to pregnant women, Mrs. Sammacici has started her maternity leave early. As previously announced Mrs Wardle will be covering her class until she returns.

During these uncertain times some children that suffer from anxiety may need some extra help. We have included a link to some useful materials for yourself and your child to share:

Please could we also direct you to the **Just One Norfolk Website** (link is on our website) as well as **map.uk.net** and the 'on my mind' part of the website **annafreud.org**.

We would like to thank all parents and carers for their understanding in not contacting/visiting the school unnecessarily this week, this is very much appreciated and has made it much easier for us to make arrangements for all children in the coming weeks. We will endeavour to still send a regular newsletter to keep parents updated with any key information.

We are very sorry to say that we have made the tough decision to cancel all booked trips including our residentials to Hilltops and Derbyshire this year. This has not been an easy decision to make but one we have felt is necessary for the wellbeing of pupils and staff. Emails have been sent to the parents of the children involved in these trips.

Please remember to always keep us updated with any change of contact details to ensure you always receive communication from us by text/email. If you are using the new Pupil App/Website you can change your own details on this.

For any school uniform orders you can order on-line at <https://www.birdsofdereham.com/shop/category/schools-scarning-vc-primary-school-76/> (Click & Collect available) or visit the store at Unit D 13 Yaxham Road Dereham

LOTTERY FUNDED

Update for crisp and pen recycling.

Victoria and Violet would like to say thank you for all the effort and donations of crisp packets and pens for recycling. We have had to suspend the collection and hope to recommence the recycling scheme once the Covid 19 problem has subsided. The school has been collecting since June 2019 and have collected Approx. 9460 crisp packets weighing 19KG and 608 pens weighing 5.5KG. A total of 24.5KG of waste saved from landfill, this would equate to the same weight of 2381 toothbrushes. Thank you once again.

Dear all,

We are increasingly becoming aware that a number of children and young people are experiencing increased levels of anxiety connected to the Coronavirus and concerns that people around them will die. We have put together some professional guidance for supporting adults that can be shared with teachers, parents and carers.

Please circulate this link <http://www.nelsonsjourney.org.uk/coronavirus-anxiety/> and re share from our social media channels to help us ensure that the emotional impact is lessened and children are adequately supported.

Best wishes from all at Nelson's Journey
