We are aware that children are bringing their own hand sanitiser into school. Following the guidance we have received, sanitiser **must** have over 60% alcohol for it to be effective against the Coronavirus. If a child is unable to use the sanitiser they will be asked to wash their hands with soap and water.

Please can we ask that parents do not let children play near the defibrillator located by the old school entrance door. The defibrillator is available for use by the Scarning community as well as the school and it is vital that this does not get damaged.

Please remember to always keep us updated with any change of contact details to ensure you always receive communication from us by text/email. If you are using the new Pupil App/Website you can change your own details on this.

The Scarning School Fundraisers

WOULD LIKE TO SAY A MASSIVE...

THANK YOU

...to the children and their families who have attended the recent school disco's and the Tesco bag packing.

As a result of everyone involved, we raised £458.80 at the disco & a whopping £804.48 at Tesco's bag packing.

These funds will go directly back to the school who will benefit from the subscription of the online library system, a brand-new reading scheme and books for the school as well as a planetarium event to support the schools next Excellence week.

Could you spare some time to support the friendly team of fundraisers to help raise funds that directly benefit our children?

If so, we would love to hear from you.

**The next fundraisers meeting will be
Thursday 19th March at 3:20pm in school.**

Jenny Wicks, Fundraising Chair Person on behalf of the fundraisers.
