Scarning VC Primary

Please see the website for forms, newsletters, photos www.scarningprimary.co.uk

We would like to wish everyone a Happy Easter.

Please remember that you can find copies of all letters emailed home with regards to school closure on our website along with a link to the Home Learning information.

Please hold on to your EDP Plant to Plate tokens until we come back to school as this promotion has been extended until September

We would like to take this opportunity to wish Mrs. Brigstock good luck as she leaves Scarning School at the end of term. We hope to see her back in school when things return to normal to say goodbye properly.

Reminder that from April 2nd we will stop using the **School money** system for lunch/trip payments. We will start using **Pupil Asset**. More details on how to use this will be available when we return to school. If you are in credit with school money, the office will start the process of refunds or transferring your balance after the Easter break.

Message from Year 5

Year 5 have had a good week Home Learning. We have loved hearing about everything that they have been doing - whether from the Home Learning Plan or their own investigations and have been impressed with their positivity and resilience. We want to thank the parents and carers of all the children for their support and kind words. Have a lovely Easter (as best you can in these uncertain times) and we look forward to reconnecting with the children through Google Classroom next term. Kind Regards, all the staff in Year 5.

Easter Holidays, ways to get credits for the Children's University

I know that all the venues where C U members can gain credits are currently closed. The children who are members of the Children's University can still gain some credits by going online at the **Children's University Manchester** site. There are a range of subjects on here, (some of which support the learning carried out at school). You complete the work and then claim your credit.

Kind regards, Mrs Hollingworth.

Please remember to always keep us updated with any change of contact details to ensure you always receive communication from us by text/email. If you are using the new Pupil App/Website you can change your own details on this.
