## Parking at school

We are fortunate to have parking areas to both sides of our school. If you are parking in the lay-by directly next to us at School Plain, please do remember that there are residents living here who need access to their property. We would ask you to be mindful of this when parking and please do not block their driveways. Again, if you are parking roadside please do not park on the zig-zag lines or block entrances to properties. To the other side of the school (going towards old Scarning) is another lay-by, by the village sign. A lot of the time people forget about this as it "past the school" for many of us, but for this reason it is also not used as much. Please make use of this if possible to keep the area around school safe for all.

Please remember to always keep us updated with any change of contact details to ensure you always receive communication from us by text/email. If you are using the new Pupil App/Website you can change your own details on this.
