6th September 2022

Dear parents and carers,

A warm welcome to the start of the Autumn term. We hope your child has had a great first day back. It was lovely to see everyone so eager and ready for the new year.

A particular welcome to those children who have just enjoyed their first day with us – we trust your classmates helped you feel at home.

I mentioned to the children in assembly that the hall was full of a completely different set of children to my first Scarning assembly in 2015, and that I had now seen a whole year group start and go all the way through - a complete changing of the guard! As ever the whole staff will work as hard as we can to provide a caring and safe environment for each and every member of our community.

There is a lot to look forward to and in the near future we will be in touch to let you know about forthcoming events - please keep an eye on the weekly newsletter. On top of the daily diet of learning we have interviews planned to inspire the children; whole school debates to stimulate the mind and special focus days to allow us to tackle all manner of interesting and diverse themes.

In the coming weeks Mr Howell will write to you offering a little overview of school curriculum. We have worked hard in recent years to make this as interesting and effective as possible. In the mean-time our school website and the linked in curriculum website (*please note: this is currently being updated*) will give you a lot of information about how we approach teaching, the curriculum enrichment we offer and what individual subjects look like at Scarning.

All the very best for a great start to the academic year.

Nick King,
Headteacher
